9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

Applicant provided an award letter from VA stating he has been awarded education benefits for an approved program of education or training under the Veterans Retraining Assistance Program (VRAP). Copy of the award letter attached.

Are these benefits counted as income for the household?

10. REQUESTOR'S PROPOSED ANSWER:

VRAP benefits are earmarked by the VA to be used for payment of education. The recipient must verify monthly that they are attending school and will not pay courses not attended, courses that were withdrawn or completed courses in which a grade received does not count towards graduation. Based on this information we believe the funds are excluded for CalFresh. A copy of the award letter is also attached.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

Yes. Per MPP 63-502.145 and 63-502.2(e), the recipient's award of VRAP benefits for educational or training purposes are excluded as unearned income since the lender has earmarked these funds to be used for allowable educational expenses. Per 63-502(e)(3), the county would also have to verify that the recipient is enrolled in a qualifying institution that provides secondary, post-secondary education or the equivalent of a post-secondary diploma, or a vocational education program.
